Programme information and content

The aim of the programme is to prepare graduates for a career in the financial markets with a specialism in regulation and compliance. The programme will provide participants with the opportunity to develop and demonstrate their understanding of both the theory and practical applications of regulation and compliance in the capital markets.

The MSc programme is offered on a full-time residential basis.

Module information

The programme comprises of 180 credits, allocated across a range of compulsory and optional modules. Compulsory modules are listed.

Compulsory modules

Module	Name	Credits	Level
ICM106	Financial Markets	20	M
ICM107	Securities, Futures and Options	20	M
ICM108	Fixed Income and Equity Investments	20	M
ICM124	Introductory Quantitative Methods for Finance	10	M
ICM294	Governance and Compliance in Financial Services	20	M

Students must choose option modules so as to complete a total of 180 credits. A complete list of option modules is available from the Programme Director, and a list of current options can be found in the relevant Programme Handbook. There is no guarantee that in any one year all modules will be available. New option modules may also be added.

Students on the 12 month version of the programme must select at least one module running in the Summer Term.

Part-time or flexible modular arrangements

This programme is only available on a full-time basis.

Additional costs of the programme

None

Optional modules

The optional modules available can vary from year to year. An indicative list of the range of optional modules for your Programme is set out in the Further Programme Information. Details of any additional costs associated with the optional modules, will be made available to you prior to the beginning of the programme. Entry to optional modules will be at the discretion of the University and subject to availability. Although the University tries to ensure you are able to take the optional modules in which you have expressed interest this cannot be guaranteed.

Placement opportunities

An optional summer module gives students on the 12-month programme the opportunity to undertake a work placement.

Study abroad opportunities

Teaching and learning delivery

Teaching is organised in modules. The method of delivery varies among modules, especially in terms of the proportions of time allocated to lectures, seminars and case studies.

The programme is taught over two 11-week terms.

Part 1 begins at the beginning of Welcome Week in

September of each year. Examinations for Part 1 modules are held in Week 1 of the following spring term.

Part 2 occupies 9 weeks of the spring term and 2 weeks at the beginning of the summer term.

Examinations for Part 2 are normally held in May.

Total study hours for your programme will be 1800 hours. The contact hours for your programme will depend upon your module combination; an average for a typical set of modules on this programme is 243 hours.

In addition to your scheduled contact hours, you will be expected to undertake guided independent study. Information about module contact hours and the amount of independent study which a student is normally expected to undertake for a module is indicated in the relevant module description.

Accreditation details

This degree benefits from professional exam exemptions from the Chartered Institute of Securities and Investment (CISI)

Accredited by the EFMD Quality Improvement System and the Association to Advance Collegiate Schools of Business (AACSB).

Assessment

All modules are part-assessed via a multiple-choice test or coursework that can take a variety of forms. Final assessment normally involves a written examination, and also incorporates coursework marks.

Progression

Part-time and modular progression requirements

N/A
