On admission to the examination room, you should acquaint yourself with the instructions below. You must listen carefully to all instructions given by the invigilators. You may read the question paper, but must not write anything until the invigilator informs you that you may start the examination.

You will be given five minutes at the end of the examination to complete the front of any answer books used.

May/June 2014

UNIVERSITY OF READING

MEMORY AND SELF:
PAST, PRESENT AND FUTURE (PY3MS)

One and a half hours

Answer ONE question
1. Does the self drive mental time travel?

2. It has been suggested that changes in memory are associated with changes in the self. Discuss this point with reference to research in at least two different clinical populations.

3. Examine the role of the self-concept in the development of autobiographical memory.
