However, at least once a year the Committee should meet with the external and internal auditors without any officers present.

**Frequency of meetings**

7. Meetings shall normally be held three times each financial year. The external auditors or the Head of Internal Audit Services may request a meeting if they consider it necessary.

**Authority**

8. The Committee is authorised by the Council to investigate any activity within its terms of reference. It is authorised to seek any information it requires from any employee, and all employees are directed to co-operate with any request made by the Committee.

9. The Committee is authorised by the Council to obtain outside legal or other independent professional advice and to secure the attendance of non-members with relevant experience and expertise if it considers this necessary, normally in consultation with the designated officer and/or President of the Council. However, it may not incur direct expenditure in this respect in excess of £50,000 without the prior approval of the Council.

the statement of members responsibilities, the statement of internal control, and any relevant issue raised in the external auditor’s management letter. **Reporting procedures**

12. The minutes (or a report) of meetings of the Committee will be circulated to all members of the Council.

13. The Committee will prepare an annual report covering the University’s financial year and including any significant issues up to the date of preparing the report. The report will be addressed to the Council and designated officer, summarising the activity for the year. It will give the Committee’s opinion on the adequacy and effectiveness of the institution’s arrangements for the following:

- risk management, control and governance (the risk management element includes the accuracy of the statement of internal control included with the annual statement of accounts)

- Economy, efficiency and effectiveness (value for money) management and quality assurance of data submitted to HESA and to HEFCE and other providers of public funds.
