

POSTGRADUATE SCHOLARSHIPS

The School (SAGES) are offering a series of Home/EU Postgraduate Scholarships to the strongest applicants. The first recipients will be selected in April 2018. Scholarships are made in the form of a fee reduction. Please register your interest in being considered for a Scholarship in your application.

Initial deadline for applications: April 2018

Eligibility:

- Applicants must hold an offer of a place from the School on one of our Masters programmes
- Awards are made based on merit demonstrated by the application
- Awards are also available to part-time students, but as a one-off payment
- Awards are not available for those wishing to study for a PGCert or PGDip
- Recipients of the award are required to accept their place within two-weeks of the offer
- Students in receipt of the Scholarship may be asked to contribute to the School while they are here (e.g. participate on Open Days, post a Facebook profile or Blog)

The School (SAGES) are offering a series of International Postgraduate Scholarships to the strongest international applicants and the first recipients will be selected in April 2018. Scholarships are made in the form of a fee reduction. Please register your interest in being considered for a Scholarship in your application.

Initial deadline for applications: April 2018

Eligibility:

- Applicants must hold an offer of a place from the School on one of our Masters programmes
- Awards are made based on merit demonstrated by the application
- Awards are also available to part-time students, but as a one-off payment
- Awards are not available for those wishing to study for a PGCert or PGDip
- Recipients of the award are required to accept their place within two-weeks of the offer
- The Overseas Deposit must normally be paid by the deadline set by the University, or the award will be revoked
- Students in receipt of the Scholarship may be asked to contribute to the School while they are here (e.g. participate on Open Days, post a Facebook profile or Blog)
