STUDENTSHIPS, SCHOLARSHIPS, EXHIBITIONS AND PRIZES

Subject to any conditions prescribed by trust deeds, all awards are made on the authority of the Senate.

Scholarships (other than Postgraduate Studentships) are ordinarily tenable for three years. In exceptional circumstances a Scholarship may be extended for a fourth year (if this is not prohibited by a trust deed).

The tenure of all Scholarships, Studentships, and Exhibitions is subject to the University Authorities continuing to be satisfied with the holder’s conduct and progress in the course arranged.

No Scholarship, Exhibition, or endowed Prize may be awarded more than once to the same student, nor will more than one Scholarship, Exhibition, or endowed Prize be awarded in any one Session to the same student in the same subject, save that a student who is awarded an endowed prize will remain eligible for a University prize and vice versa; and that a student may be awarded a University prize on more than one occasion.

If, on the occasion of any competition for a Scholarship, Studentship, Exhibition, or Prize, there is, in the opinion of the awarding authority, no candidate of sufficient merit to justify an award, the Scholarship, Studentship, Exhibition, or Prize will not be awarded for that occasion.

1. Postgraduate Studentships

Note: The Postgraduate Studentships listed in this section are offered as available. Further information may be obtained from Student Financial Support.

University Postgraduate Studentships
The University offers Postgraduate Studentships for students who have obtained a first degree. The value of each Studentship is variable with payment by the Committee on Postgraduate Research Studies of the relevant tuition fee which includes membership of the Students’ Union.

Huntley and Palmers Agricultural Research Fund
Used to part fund research scholarships. (School of Agriculture, Polidy and Development).

University Overseas Research Scholarships
The University offers scholarships for overseas postgraduate students entering research courses. Selection is made by the Committee on Postgraduate Research Studies. Further information is available from relevant Faculty office.

The Wilfred T. Adams Fund for students in Agriculture
Used to provide financial support to students of Agriculture or Horticulture.
The Morag Jones Memorial Fund
This fund was established in 2011 in the will of Mrs MARGARET JONES in memory of her daughter Morag who was a postgraduate research student in the Department of Botany. The fund is to be used to fund field trips and expeditions with a botanical/conservation component.

Herbert Knapman Postgraduate Studentship in Science
This Studentship was established under the will of the late Miss EDITH KNAPMAN in memory of her brother Herbert Knapman, a former Registrar and Tutorial Secretary of the University. The Studentship is not open to persons following a course of study in the Institute of Education. Save as previously stated the Studentship is open to a man or woman holding an appropriate first degree qualification. The holder of the Studentship is required to follow a full-time course of directed research or instruction, ordinarily in preparation for a higher degree of the University of Reading, on a scientific topic. The Studentship is ordinarily tenable for three years, subject to annual renewal. The holder of the Studentship will not be permitted also to hold a comparable award. Selection for the Studentship will be made by the Committee on Postgraduate Research Studies in consultation with the Warden of St Patrick’s Hall. The value of the Studentship will be the same as for a University Postgraduate Studentship.

The David Malvern Prize
This award was established in 2011 by family, friends and colleagues in memory of David Malvern, Professor in the Institute of Education. The fund will be used to increase the award for the best piece of reflective assessed work submitted by a member of staff completing the Postgraduate Certificate in Academic Practice.

The Monck Memorial Postgraduate Studentship
This Studentship was established in 1967 by the TRUSTEES OF THE MONCK MEMORIAL SCHOLARSHIP FUND (The Corporation of Reading) in conjunction with the University of Reading. The Studentship is open to a man or woman whose parents or guardians reside in Reading or Berkshire at the beginning of the course for which the grant is made. The holder of the Studentship is required to follow a full-time course of directed research or instruction, ordinarily in preparation for a higher degree of the University of Reading, in a subject within the purview of any of the Faculties. The Studentship is ordinarily tenable for three years, subject to annual renewal. The holder of the Studentship will not be permitted also to hold a comparable award. Selection for the Studentship will be made by the Committee on Postgraduate Research Studies of the University, taking into account (a) evidence of merit, and (b) any evidence of need. The recommendation for the award of the Studentship will be made by the Committee on Postgraduate Research Studies to the Trustees of the Scholarship Fund.

The value of the Studentship will be £2,975 per annum from the Trustees of the Scholarship Fund, and the Committee on Postgraduate Research Studies of the University together, with remission of the Composition Fee for the higher degree course to be pursued.

Wilkie Calvert Postgraduate Studentships
These Studentships, and the Wilkie Calvert Research Fellowship, were established in 1978 under the will of the late Miss PHYLLIS A. GARDNER in memory of Mr Wilkie Calvert, a Life Member of the University Court. Each Studentship is open to graduates of any University who have obtained a first degree. The holder of an award is required to follow a full-time course of directed research or instruction, ordinarily in preparation for a higher degree of the University of Reading. Each Studentship is normally tenable for up to three years and its value will be the same as for a University Postgraduate Studentship. Selection will be made by the Committee on Postgraduate Research Studies and preference may be given to applicants who are not eligible for other awards. Not more than two Studentships will be available at any one time.

P. W. Campbell Postgraduate Scholarship
This Scholarship is open to a full-time postgraduate research student intending to study some aspect of European Government or politics (including international relations).
The Edith Margaret Elderfield Scholarship
This scholarship was established under the will of Miss Edith Margaret Elderfield. The scholarship is intended to assist students who are British citizens wishing to embark on a professional career in the general area of Agricultural Economics to pursue postgraduate studies at the University. Each scholarship shall normally be tenable for one academic year only. Applications should be made to the Head of Agricultural and Food Economics.
