Catering options at Reading
Eating and Drinking at the University of Reading is great value, tasty and easy. We have a collection of 18 unique and different bars, cafes and restaurants with the first opening at 7.30am and the last closing at 1.30am giving you plenty of time and locations to visit.

Catered accommodation

Catered Accommodation offers a stress-free & flexible pre-paid approach to eating during term time while living in halls. This is paid for as part of your accommodation bill. You have the freedom to choose from seven selected sites, which between them are open from early morning to late evening, all week. You can buy whatever you want, and there are meals to suit all tastes and dietary requirements.

Each Sunday morning we load an amount of money onto your Campus Card for you to spend as and when you please during the coming week with an exclusive 10% off discount on selected products such as main meals to help your money go further.

The catering package is available during term time and welcome week. Just think you will never need to do food shopping, cooking or washing up, leaving you more time to enjoy University life.

A video explaining the catered package can be found at http://youtu.be/4mlw4aF-MW-I
Self-catered accommodation

As a self-catered resident you have the option of loading cash onto your Campus Card. Cash loading is easily done via our online portal and even has a guest function allowing parents, friends and relatives to top-up your card anywhere in the world.

Cash loaded cards can be used in any Catering outlet plus other services such as the Post Room and the Library. When spending in Catering outlets using your Campus Card you will get 15% off all hot drinks and 5% off all other products (with the exception of alcohol).

The self-catered option may be preferred by those with special dietary requirements.
For more information about the catering package see:
