

2019 / 2020 TLDF Project holders

University Teaching and Learning Enhancement Projects

Awarded to	Project Title	Amount Awarded
Miss Cara Broadhurst	Learning in Action Videos	£1,140
Dr Hazel McGoff	Integrating NUIST Students in Geography and Environmental Science	£932
Dr Rob Banham	Print finishing for designers	£2,455
Dr Rhi Smith	Collaborative Co-design of Collections Based Learning	£2,350
Mrs Amanda Millmore	Inter-Professional Practical Workshop	£750
Ms Christine Ellison	Toolkit for the Independent Creative Learner	£2,448
Dr Karin Whiteside	An online resource to develop Psychology-specific writing skills	£2,370
Dr Aaron Cooper	Embedding Employability through PiP: from student to highly skilled graduate	£2,060
Professor Andrew Wade	Learning to interpret and assess complex and incomplete environmental data	£1,680
Dr Paddy Bullard	Embedding skills development within the Academic Tutoring System for English Literature Students	£1,360
Dr Melissa Snaith	Video based Skills Development	£2,000
"Mrs Tamara Wiehe	Creating a Blackboard tool to improve students' use of feedback	£1,320
Dr Allan Laville"	Stories of Our Studies – the next phase	£1,112
Mr Simon Floodgate	An exploration of UG students' experience of different assessment models	£1,280
Dr Rebecca Harris	The DEL Feedback Action Plan	£950
Dr Madeleine Davies & Prof Cindy Becker	Second Student Workshop on Speaking Shakespeare's Verse	£2,159

2018 / 2019 TLDF Project holders

University Teaching and Learning Enhancement Projects (Mini)

Awarded to	Project Title	Amount Awarded
Mr Simon Floodgate	Stories of Our Studies	£1,654.00
Mr Jack Tame	From Manuscript to Bookshop: publishing industry professionals enhancing student learning within	£960.00
Dr Sarah Greenwood	The 'Sherlock' Approach to Learning: Developing Diagnoses From Case Study Evidence	£1,181.72
Dr Ute Wolfel	Teaching the Archive	£1,738.96
Mr Oliver Wilson	The 3D Pollen Project trial: assessing benefits for teaching and learning	£2,500.00
Mr Robert Garnett	Reframing Identity Through Analogue Photography	£1,670.00
Dr Tabarak Ballal	Team-based Learning across International Boundaries	£2,481.00
Miss Kat Hall	Clinical skills development: using controlled conditions assessment to develop behavioral competence	£2,500.00
Dr Natasha Barrett	Identifying low engagement in non- standard and large classes – does attendance measure up?	£230.27
Mr Federico Faloppa	Who wants to be... an editor? How to transform a classroom in a publishing house (but just for ten weeks do not worry...)	£2,000.00

Mr Peter Andrews	Understanding and informing the selection and use of productivity apps for learning by undergraduate International Students	£2,500.00
Mr Daniel Grant	Supporting Transition: Investigating and enhancing students' experiences of transferring from University of Reading Malaysia campus (UoRM) to the UK	£1,843.00
Mrs Melanie Jay	Seeds of Diversity	£1,891.10
Prof William Harwin	Teaching support for natural and artificial robotics	£2,028.00

2017 / 2018 TLDF Project holders

University Teaching and Learning Enhancement Projects (Mini)

Awarded to	Project Title	Amount Awarded
Dr Madeleine Davies	Diversifying Assessment Project (DEL)	£426.00
Dr Amelia Hollywood	Promoting student engagement with assessment feedback: Testing the role of self-affirmation.	£2,500.00
Dr Philippa Cranwell	Exploring the use of lapel-style video cameras to research student interactions in group-based active learning environments	£2,200.00
Dr Matthias Siebold	FBS Database Management Videos	£1,616.00
Dr Rob Hosfield	Access through Photogrammetry: fragile materials and digital models in Archaeology	£1,616.00
Dr Angelique Chettiparambil Rajan	Institutionalizing reductions in poor academic practice and academic misconduct	£2,500.00
Ms Amanda Clarke	Skilling our Students	£2,275.00

Mrs Melanie Jay	From Sheep to Scarf: Marrying traditional, rural and contemporary crafts with twenty first century technologies	£834.00
Dr Wing Man Lau	Enhancing pharmacy students' learning experience and employability through Peer Assisted Learning.	£2,403.00
Mrs Ali Nicholson	IWLP Tandem@Reading	£2,459.00
Dr Yota Dimitriadi	Learning text-based programming using Minecraft and Raspberry Pi	£1,145.00
Prof Rachel McCrindle	Engaging Students in Key Skills for Biomedical Engineering	£2,500.00
Mr Eamonn D'Arcy	Embedding Business and Professional Values in the Curriculum – Giving Voice to Values	£1,510.00
Dr Wing Man Lau	Working collaboratively – students designing lectures for students	£580.00

2016 / 2017 TLDF Project holders
University Teaching and Learning Enhancement Projects (Mini)

Awarded to	Project Title	Amount Awarded
Dr Mark Spillman	Streamlining laboratory class registers using RFID card readers	£219.80
Miss Catherine Foley	Classroom-capture technology for Primary School Direct at the Institute of Education	£2,500.00
Ms Helen Hathaway	Enabling greater access to teaching materials on academic integrity	£1,658.00
Dr Nicola Wilson	A printing press, for all our friends' stories': Teaching letterpress in literature	£1,006.00
Dr Mark Hutchings	Exploring Early Modern Theatre Practice in the Classroom	£984.55
Dr Hazel McGoff	Flipping Earth Science Practical's And The Use of Digital Specimens	£736.45
Dr Yota Dimitriadi	From STEM to sTEAM: Creative Ways to Introduce Robotics and Engineering concepts in the Classroom	£2,500.00
Professor Mark Fellows	Aspiring to Inspire: the Reading Research Experience Programme	£1,000.00
Dr Katrina Bicknell	Developing and supporting international research opportunities for Pharmacy students	£2,000.00

Dr Faustina Hwang	Enhancing the learning of cell biology by enabling natural manipulation in a 3D virtual environment	£2,500.00
Ms Rita Balestrini	Sharing the secrets. Involving students in the use (and design?) of marking schemes	£1,670.00
Dr Andrew Gaby	Reading University Observatory: A web-based resource for 21st century teaching and learning	£2,101.00
Dr Federico Faloppa	From the classroom to the world: A student-led radio programme on language and migration	£1,000.00

2015 / 2016 TLDF Project holders
University Teaching and Learning Enhancement Projects (Mini)

Awarded to	Project Title	Amount Awarded
Elizabeth Page	Exploring Team based Research Projects	£1,900
Sonia Hood	Requirements of a student Resource	£1,752
Rachel Pye	UG Research Conference	£2,360
Mark Shanahan	Expert Witnesses in Classroom	£1,850
Edith Rigby	Turnitin Originality	£1,376
Susie Newton	Improving Students Turnitin Experience	£1,993
Sarah Cardey	Visual Problem Appraisal for Research Skills	£2,245

2015 / 2016 TLDF Project holders
University Teaching and Learning Enhancement Projects (Maxi)

Awarded to	Project Title	Amount Awarded
Dr Katja Strohfeldt	Improving experience in large Classrooms	£7,972 (yr 1)
Ms Dawn Willoughby	Enhancement for All - Stat -SPOC Maxi	£9,679 (yr 1)

2014/15 TLDF project holders Mini Awards

Awarded to	Project Title	Amount Awarded
Dr Graham Holloway (Life Sciences)	Campus Wildlife Champions	£1,240
Catherine Langran	Enhancing student experience through real patient contact: a Pharmacy teaching pilot	£710
Dr Amanda Branson	Developing a Tailored Study Support Package for PG Students	£1,880
Prof Michelle O'Callaghan	Teaching the Digital Text: Literature and the New Technologies	£1,936
Dr Clare Wright	“MOOCs at Reading - what, why and where next”? Evaluating pilot MOOC “A beginners’ guide to writing in English for university study”, to	£2,500

Dr Clare Furneaux	TEL for distance learning	£2,500
Dr Alan Renwick	Equipping the Junction 11 Politics Show and Associated Module	£1,216

TLDF Enhancement Maxi Awards

Awarded to	Project Title	Amount Awarded
Dr Emma Hayhew	GRASS-Generating Resources and Access to Screen Capture Software	£30,000

2013/14 TLDF project holders

Awarded to	Project Title	Amount Awarded
Catherine Hughes (Real Estate and Planning)	An evaluation of computer- based systems of peer assessment used in group work	£5000
Dr Rebecca Thomas (Biological Sciences)	Where are they now? Developing employability of graduates through interaction with alumni in the BioSciences	£4662
Dr Helen Parish (History)	Improving student engagement with assessment and feedback through peer review	£4222

Dr Alice Mauchline (Agriculture, Policy and Development)	Whiteknights biodiversity monitoring: Building an app to collate long-term monitoring data of campus wildlife	£5000
--	--	-------

2012/13 TLDF project holders

Awarded to	Project Title	Amount Awarded	Project Outputs
Dr Helen Dacre (Mathematical and Physical Sciences)	Development of an interactive online storms tool	£1,000	<u>Dr Helen Dacre final report</u>
Professor Lib Taylor & Dr Lisa Purse (Art & Communication Design)	Digital Performance Lab	£3000	<u>Professor Lib Taylor & Dr Lisa Purse final report</u>
Dr Samantha Weston (Chemistry, Food and Pharmacy)	Planning and implementing an improved transition for a global cohort on the MPharm programme; a model for UoR?	£1200	<u>Dr Samantha Weston final report</u>
Dr Calvin James Smith (Mathematical and Physical Sciences)	Managing student transitions when returning from work placement	£3000	
Dr Milan Radosavljevic (Construction Management and Engineering)	Augmented Reality Development Lab: Building Information Modelling Lounge (BIM Lounge) Development	£1000	<u>Dr Milan Radosavljevi c final report</u>
Dr Sarah Cardey (Agriculture, Policy & Development)	Embedding a virtual placement and professional mentoring in an MSc module to support student employability	£3000	
Helen Bilton (Institute of Education)	Developing a specialism route into primary teaching	£3250	<u>Helen Bilton final report</u>
Dr Federico Faloppa (Literature and Languages)	Exploring Modern Languages Linguistics	£4500	
Alison Fenner (Literature and Languages)	Establishing a study advisor support service for language learners	£4000	<u>Alison Fenner final report</u>
Dr Kevin White (Human and)	Enabling provision of training in Digital	£3500	<u>Dr Kevin White final report</u>

Environmental Sciences)	Thermography		
Clare Nukui and Liz Wilding (IFP), Helen Hathaway (Library), Dr Kim Shahabudin (Study Advice)	What did I do wrong? Supporting independent learning practices to avoid plagiarism	£7500	<u>Collaborative Final Report</u>

2011/12 TLDF project holders

Awarded to	Project Details	Amount Awarded	Project Outputs (if available)
Matthew Almond (School of Chemistry, Food Biosciences & Pharmacy)	Study into how the engagement of students in curriculum development can be enhanced	£6000	<u>Matthew Almond TLDF report</u>
Christine Ellison (Art and Communications Design)	Develop a Digital Studio Network, a tailored online learning environment which will respond to the changing needs of Fine Art Studio teaching	£5087	<u>Christine Ellison's blog article 'Digital Portal Creates New Dimensions for Art's Studio Community' and the launch of OSCAR</u>
Gillian Rose (Agriculture, Policy and Development)	Create an updated resource which will enable students to engage with a variety of new research materials	£5117	<u>Engage in Research website</u>

2010/11 TLDF project holders

Awarded to	Project Details	Amount Awarded	Project Outputs (if available)
Matthew Nicholls (School of Humanities)	Complete a digital model of the city of Rome c.AD 315 for use as a teaching tool for the Department of Classics and other organisations	£5,000	<u>Matthew Nicholls TLDF report</u>
Elizabeth Page (School of Chemistry, Food Biosciences & Pharmacy)	Design a series of context-based workshop problems to enhance the understanding and integration of life-sciences undergraduates with fundamental chemical concepts in first year modules.	£4,000	<u>Elizabeth Page TLDF report</u>
Faustina Hwang (School of Systems Engineering)	Pilot a suite of digital pen and paper systems to investigate their potential for enhancing the student experience	£1,920	<u>Faustina Hwang TLDF report</u>
Maria Papaefthimiou (CDoTL)	Evaluate the use of online courses and resources on Learning Technologies with members of staff to address their specific needs or as part of staff training and development	£770	<u>Maria Papaefthimiou TLDF report</u>
Alicia Penabizama (Counselling)	Produce a variety of resources to encourage and support adjustment to changing ways of living and working	£6,000	<u>Alicia Penabizama TLDF report</u>
Federico Faloppa (School of Languages and European Studies)	Develop and deliver a newsletter that will be made available to students on an Italian module, to students of the Italian Society and of the Department of Modern Languages and - via the Student Union - to other students from the University	£1,000	<u>Federico Faloppa TLDF report</u> <u>Reading Italian Issue 1</u> <u>Reading Italian Issue 2</u>

Chiara Cirillo (School of Literature and Languages)	Develop and pilot a summer term IWLP 10 credit module	£3042	<u>Chiara Cirillo TLDF report</u>
--	--	-------	---

2009/10 TLDF project holders

Awarded to	Project Details	Amount Awarded
Mrs Anne Smith (School of Health and Social Care)	Provide an examination of the quality assurance methods associated with the assessment of e-Learning	£2000
Prof Rosemary Auchmuty (School of Law)	Design a new module called Property Law Project	£5000
Dr Cathy Tissot (Institute of Education)	Development of three MA modules	£5000
Ms Nicola Taylor (School of Languages and European Studies)	Production of a handbook and training DVD for new teachers	£5000
Dr Orla Kennedy (School of Chemistry, Food and Pharmacy)	Development of 'Foodie Futures'	£4990
Dr Kenneth Shankland (School of Chemistry, Food and Pharmacy)	Installation of computers with designated software to allow students easy access.	£5000

Dissemination of Effective Practice

Awarded to	Project Details	Amount Awarded
Prof Rachel McCrindle (School of Systems Engineering)	Design of a board game by students to teach Software Engineering to a novice	£1000
Dr Elizabeth Page (School of Chemistry, Food and Pharmacy)	Implementation of the Undergraduate Ambassadors' Scheme as a final year project	£500
Ms Liz Tracey (School of Chemistry, Food and Pharmacy) and Ms Kate Ward-Perkins (Counselling and Psychological Services)	Transition Mentoring Scheme within the Department of Chemistry	£1000

2008/09 TLDF project holders

Awarded to	Project Details	Amount Awarded
Ms Maria Papaefthimiou (CDoTL)	Project on 'Community of Practice'	£2850
Elena Bedisti (CDoTL)	Project on 'Students' definition of outstanding contributions to teaching'	£5000
Sarah Morey (CDoTL)	Induction 2008-09	£2000
Emma Sowden (Careers Advisory Service)	Project on 'Language student work abroad'	£1000
Faustina Hwang (Cybernetics)	Learning materials for visually-impaired students	£5000
Richard Mitchell (Cybernetics)	Retention monitoring scheme	£2000
Geoff Cook (Construction Management)	Development of learning objects	£5000
Alison Fenner (IWLP)	Development of a German online audio database	£896
Alison Nader (IWLP)	Development of a French online audio database	£896
Anne Thies (Law)	Development of an online PG research skills in Law	£5000
Enza Verruccio (SLES)	Development of a multimedia language resource pack	£2800

Dissemination of Effective Practice

Awarded to	Project Details	Amount Awarded
Dr Anne Crook (CDoTL)	Assessment and Feedback case studies	£1000
CDoTL	Funding to send 6 SDTLs to attend HEA annual conference	£6000
Elena Bedisti (CDoTL)	L&T Conference and <i>Teaching Matters</i>	£11,000

Elena Bedisti (CDoTL)	UTFS dissemination grants	£4000
Paul Almond (Law)	Enquiry-based learningproject	£1000
