STUDENT ART COMPETITION

ESSENTIAL REQUIREMENTS

1. All successful applications must be for artwork with dimensions which are contained within the perimeters of the available plinth (please specify which space you are applying for).
2. All applications must be weather resistant, have an expected lifetime of a minimum of 5 years and comply with University health and safety requirements.
3. All applications must be able to be fixed to the plinth or surrounding area. Details on where and how this is to be done must be included in all applications.
   Note: the University of Reading will fix the artwork to the plinth, but the application must specify how this is to be completed as access will need to be maintained.
4. A detailed budget must be provided which includes the categories of materials, labour (for student time only), and any other costs incurred.
5. Provide a link to at least one of the Vice Chancellor’s four aspirations for the university by 2024: Community, Excellence, Sustainability and an Engaged University.
6. All successful applications must be completed by 1 June 2020 and within the proposed budget. No additional funds are available and students must cover any unexpected additional costs.
7. Proposed Location of Sculptures at London Road (Map).
