Advice

If you are considering requesting a review of the outcome of an ECF considered by the School
Director of Academic Tutoring or the USCSC, it is advised that you consult a Student Advisor in Reading University Students’ Union (RUSU). Further information is available at: https://www.rusu.co.uk/advice/academic/.

**Grounds for requesting a review of the outcome of your ECF**

Please note that your appeal will only be considered based on one or more of the following grounds. You should tick/highlight the grounds which you believe to be relevant:

- ☐ 1. The procedures for considering an EC request were not properly followed;
- ☐ 2. The decision reached, or the outcome, was unreasonable;
- ☐ 3. The request was not properly considered, for example, relevant information included was overlooked;
- ☐ 4. I was not given reasons for the SDAT/USCSC’s decision;
- ☐ 5. I have new material evidence which, for good reason, I was unable to submit earlier in the process and which is relevant to the outcome of my ECF;
- ☐ 6. There was a reasonable perception of bias during the consideration of, and/or decision on, the ECF request.

**YOUR STATEMENT**

In this section, please outline the reasons why you are requesting a review of the outcome of your exceptional circumstances request. You must provide a clear and detailed account with supporting documentation regarding the appeal ground(s) you have indicated above. It may be helpful to include a timeline of the events and the impact on the assessment(s).

This may be submitted as an attachment to this form.
