2015
WELCOME ISLI STUDENT!

Here at the University of Reading we have been organising accommodation for international students for years and, as a result, we understand that organising accommodation in a country that is different and new can be both an exciting and nervous time.

This booklet is designed to give you an overview of the accommodation at the University of Reading over the summer vacation period, however full details can be found at our comprehensive student webpages created solely for ISLI students.

Our website and contact details are listed on the back of this booklet so please don’t hesitate to take a further look and get in touch with any questions you may have.

We look forward to welcoming you to Reading soon!
