In order to locate a call you need to visit the **EU Funding & Tender Opportunities Portal**. Under the ‘Search Funding and Tenders’ tab you will be able to select the ‘Search Funding & Tenders’ option.
There is an advanced search function available for different search possibilities:

- **Search by keywords**
  - Type your Keywords or CPV code...
  - Match whole words only
  - Grants
  - Tenders

- **Refine your search by using different filters**
  - Filter by submission status:
    - Forthcoming
    - Open
    - Closed
  - Filter by programme (only for grants):
    - Select a Programme...
  - Filter by call for tender:
    - Select a Call...

Download all funding and tender opportunities to your calendar or subscribe to the RSS feed (unfiltered).
Option 1 – Using Call ID: If you know the call ID or topic, type it and then search

If you already know the call ID you can simply type it and the relevant topic card will be presented.
The same will happen if you alternatively search with the call title e.g. ‘Individual Fellowships’ or ‘ERC Proof of Concept’.

If you were able to locate your call skip to p.11 of this factsheet.
**Option 2 – Using keywords:** If you do not know the call ID/topic, you can filter based on your preferences and insert keywords to narrow down the search. Tick/untick options depending on whether you are searching for a grant or a tender.
Tick/untick options based on whether you are looking for a call that is open or forthcoming (or can tick both if unsure).
How to find a call

Select the funding Programme e.g. H2020

**Option 3 – Reading the Work Programme:** Another option for finding a call, when you do not already know any details, is to click the ‘How to Participate’ tab, then select ‘Reference Documents’, choose the funding programme e.g. H2020, and find the relevant Work Programme of your area.

Select the funding Programme e.g. H2020

Open the 2018-2020 folder

Open the ‘Main WP’

Scroll down and select WP area. Open the Work Programme of interest
Work Programmes contain all calls available in the area together with details such as scope and impact.
