# THE WAR THAT WE DON'T SEE

Wednesday 23rd March 2016

7.30 pm, Palmer G10

Join us in conversation with three award-winning documentary makers whose works cut to the heart of this question: Sean McAllister (BAFTA nominated director of *The Reluctant Revolutionary* and *A Syrian Love Story*), Elhum Shakerifar (BAFTA nominated producer of *The Reluctant Revolutionary* and *A Syrian Love Story*) and Janet Harris (BBC2 *This World* 'Iraq: Did my son die in vain?', BBC1 *Soldier, Husband, Daughter, Dad*).

Hear them speak about the challenges of stepping behind the news stories to document the lived experience of war and its aftermath in Iraq, Syria and Yemen.
