Alumni advice

Sign up within your first few weeks of joining the university. The opportunities I had access to were amazing!

Why did you sign up for the RED Award?

I thought it would be a really great way to enhance my CV and career prospects when I graduate.

Some of my RED Award activities included:

Volunteering for the University's 'Students in Schools' scheme, distributing food at evening lectures hosted by The Reading Real Estate Foundation and attending training sessions for my Student Fundraiser role at the university.

What was the most rewarding factor about completing the scheme?

The scheme has helped me identify different aspects of work that I enjoy, which will really help when I start thinking about graduate roles in my final year of university.

How do you think the award will contribute towards your employability?

The RED Award has increased my confidence and interpersonal skills and has given me a lot of great experience to talk about on internship applications and at job interviews.
