

MODULE SELECTION

Dear student

If you need to select optional modules for the next part of your degree programme starting in September 2021, the [Module Browser on the RISIS Portal](#) is **now online**.

This gives you the opportunity to look at the optional module choices available on your programme prior to you making your selections when the Module Selection window goes live on the RISIS portal on **Monday 19 April 2021 at 9:00 hrs. Please note that the RISIS system is having an upgrade on Tuesday and Wednesday (13 and 14 April), so will not be available on those two days.**
