Bright Sparks Science CIC and Bright Sparks Events Ltd

Business area: Teaching and Education

Details:

Bright Sparks Science is a Community Interest Company (C.I.C) based in the South East of England, offering services in and around Oxfordshire and Berkshire. Our objective is to make the science curriculum fun, inspiring, and accessible to all. We endeavour to provide a range of science activities that can be experienced by every child. The main way we do this is to offer free science shows to schools, alongside the opportunity to run an after-school science club and low cost curriculum linked workshops.

Part-time/Term-time After School Club Instructors

We are looking for part-time employees who have a passion for science and want an experience teaching in the education system, working with primary aged children.

This is a term-time position with part time hours to suit. Working in local Primary Schools delivering weekly, 1 hour science club sessions. All positions require travel within the Oxfordshire, Berkshire or surrounding areas, so a driving licence and car is essential.

INTERESTED IN JOINING OUR TEAM?

Would you like to inspire children with science?

Are you looking for extra income during term time, weekends or school holidays?

Do you want free training on Primary Science resources?

If you have (or know someone who has) a passion for science, love working with children and have a surplus supply of energy, then you could be just the individual to expand our team! We have hours to suit all.

We are on the search for passionate and enthusiastic Youth Workers to join the growing Challengers Team at Reading Youth Scheme! As a Youth Worker you can expect to play all day ensuring the young people attending Challengers have the best possible time! Where else can you get paid to go swimming, bowling and to a theme park all in the same week?

Although no prior experience is needed, this job is not without its physical and emotional challenges and you will be required to administer personal care and ensure the safeguarding of vulnerable young people in our care. This job would be perfect for anyone who enjoys working in a sociable, busy and well supported environment! Why not channel your skills into something that offers a meaningful and powerful impact to the lives of young people?

FREE Training!

We regularly invite all our staff to free training courses including Disability and Inclusion Awareness, Medication Administration and Safeguarding!

Youth workers will always be supported by qualified scheme leaders and deputies.

Commitment!

We're flexible but we do ask that you commit to at least one of the following:

Every Saturday term-time, if working Saturdays only;

At least 3 days per week during holidays if working holidays only OR;

You can work Sundays, evenings and holidays if you want to!

Explore Learning

Business area: Teaching and Education

Details:

Our mission is to develop fearless learners and be the best possible complement to a child's school education. We are looking for passionate and ambitious leaders to join our family and help us make a meaningful impact on both the lives of our children and the growth of our business.

Explore Learning is an award winning tuition provider designed to support 4-14 year olds with their maths and English skills whilst developing their confidence, learning habits and self-belief. We've been doing this brilliantly for 18 years and our success is down to our incredible people that live and breathe our vision and values. We've expanded rapidly over recent years with over 145 centres across the UK and we're continuing to grow.

Once you have graduated you can join us as an Assistant Director. You will join a close knit management team with the ultimate aim of growing your membership and raising our profile with families, schools and local communities. It's a unique and challenging role where you can combine your love of working in education with a dynamic and fast paced commercial environment. It's a really varied role but broadly speaking, there are 4 key areas that you will take responsibility for; management, sales and promotion, customer service and of course teaching.

If you think you can drive performance and make a meaningful impact on these 4 areas then that's fantastic, but we aren't expecting you to already be an expert in all of these things. As one of the Sunday Times Top 100 Best Companies to work for, we deliver a vast amount of brilliant training in absolutely everything you could hope for. What we're really looking for is for you to be willing, trainable, proactive and resilient, we can help you to master everything else!

If you are still studying but are keen to get involved straight away, why not apply to be a part-time Tutor in your local centre. It is a great way to get a feel for the graduate role but more than that, it's a rewarding part-time job where you will form part of a really close knit team dedicated to bringing children's learning to life and helping us to create fearless learners.

Everyone remembers the person who inspired them, a teacher, a friend, a family member, someone who changed how they saw things, solved a problem, and recognised their potential and as a Tutor, you will unlock those light bulb moments every single day and inspire children to become learners for life.

National Youth Advocacy Service

Business area: Social, Community, Charity and development work

Details:

Over the last year, NYAS provided vital support to nearly 10,000 vulnerable children and young people in care across England and Wales. We are very grateful to our dedicated team of volunteers who continue to give their time every day to change young lives. People volunteer with NYAS for many different reasons. Some of our volunteers tell us they joined us to meet new people; others wanted to gain skills or experience. Many of our volunteers want to give something back. An Independent Visitor is an adult volunteer who provides support and friendship to a young person in care. This involves establishing a long term supportive relationship where the young person will have the opportunity to develop their interests, learn new skills and build their self-esteem. We are looking to recruit volunteers to support young people in Reading and Wokingham.

You do not need any special qualifications, but we are looking for dedicated people of all ages who are comfortable with befriending and being a good role model for a child or young person who may have experienced difficult times during their childhood. We ask that you are able to commit to a few hours once per month for a minimum of 2 years. This is a worthwhile opportunity where you will make a positive difference to the life of a vulnerable young person, become part of a leading national children's charity, gain valuable experience, meet new people and have fun! An interview and selection process including an enhanced DBS check and references are required for this role.
