## Pharmacy pre-enrolment task for new and returning Pharmacy students

Many students on our Pharmacy course will need to complete a Pharmacy pre-enrolment task before online enrolment opens to you.

If you are one of these students, then the 'Home' screen of your RISIS portal will look similar to the below and you will need to press the green '*Pharmacy pre-enrolment*' button to complete the required task. Once this is complete, online enrolment on your Home page should become available.
