## Our Visit Days

Even if you have already been to one of our Open Days, Visit Days offer a unique experience to find out what it's like to be an undergraduate studying at the University of Reading. So what can you expect on the day?

- An opportunity to talk with our academics and placements team about the course and ask the questions that are really important to you.
- Join a team of your potential classmates and pit your wits in our Business Challenge.
- Talk to our current students about life at the University of Reading and what it means to be a member of the Henley Business School.
- Take part in our Business Fayre.
- The opportunity to tour our beautiful award-winning campus and student accommodation, which will be your home during your degree.

**When you have booked on to one of our Visit Days you will receive an email a week before the event with the finalised programme of the day, including a parking permit and details as to where you will need to go.**

We very much look forward to welcoming you to the School.

## Pre-entry Travel Bursary

The University of Reading provides bursaries to offer-holding students from areas of low university participation in the UK. These Pre-Entry Bursaries cover the student's travel costs by public transport to a University Visit Day or Interview prior to accepting a place.
