## Progress/work schedule

*A relatively lengthy period of time spent on design between Commercial Services, Grosvenor Continental Beverages and Robert Shankland established a design that would be achievable within budget and time constraints.*

*The existing food servery was stripped out. The area was re-designed with new flooring, decoration, ceiling and lighting. A feature glass wall was fitted to front the entrance foyer. Electrical and water services were altered to suit. New coffee bar, hot and cold food counters and furniture were installed.*

## Did you know?

*It took just three weeks from when the builders started on site to the Cafe opening.*
