Project stakeholders

Client :- Kim Short. School of Construction Management & Engineering
Contractors :- P.J.Kidd Carpentry
Consultants :- N/A
For the University :- Robert Shankland (Project Management)

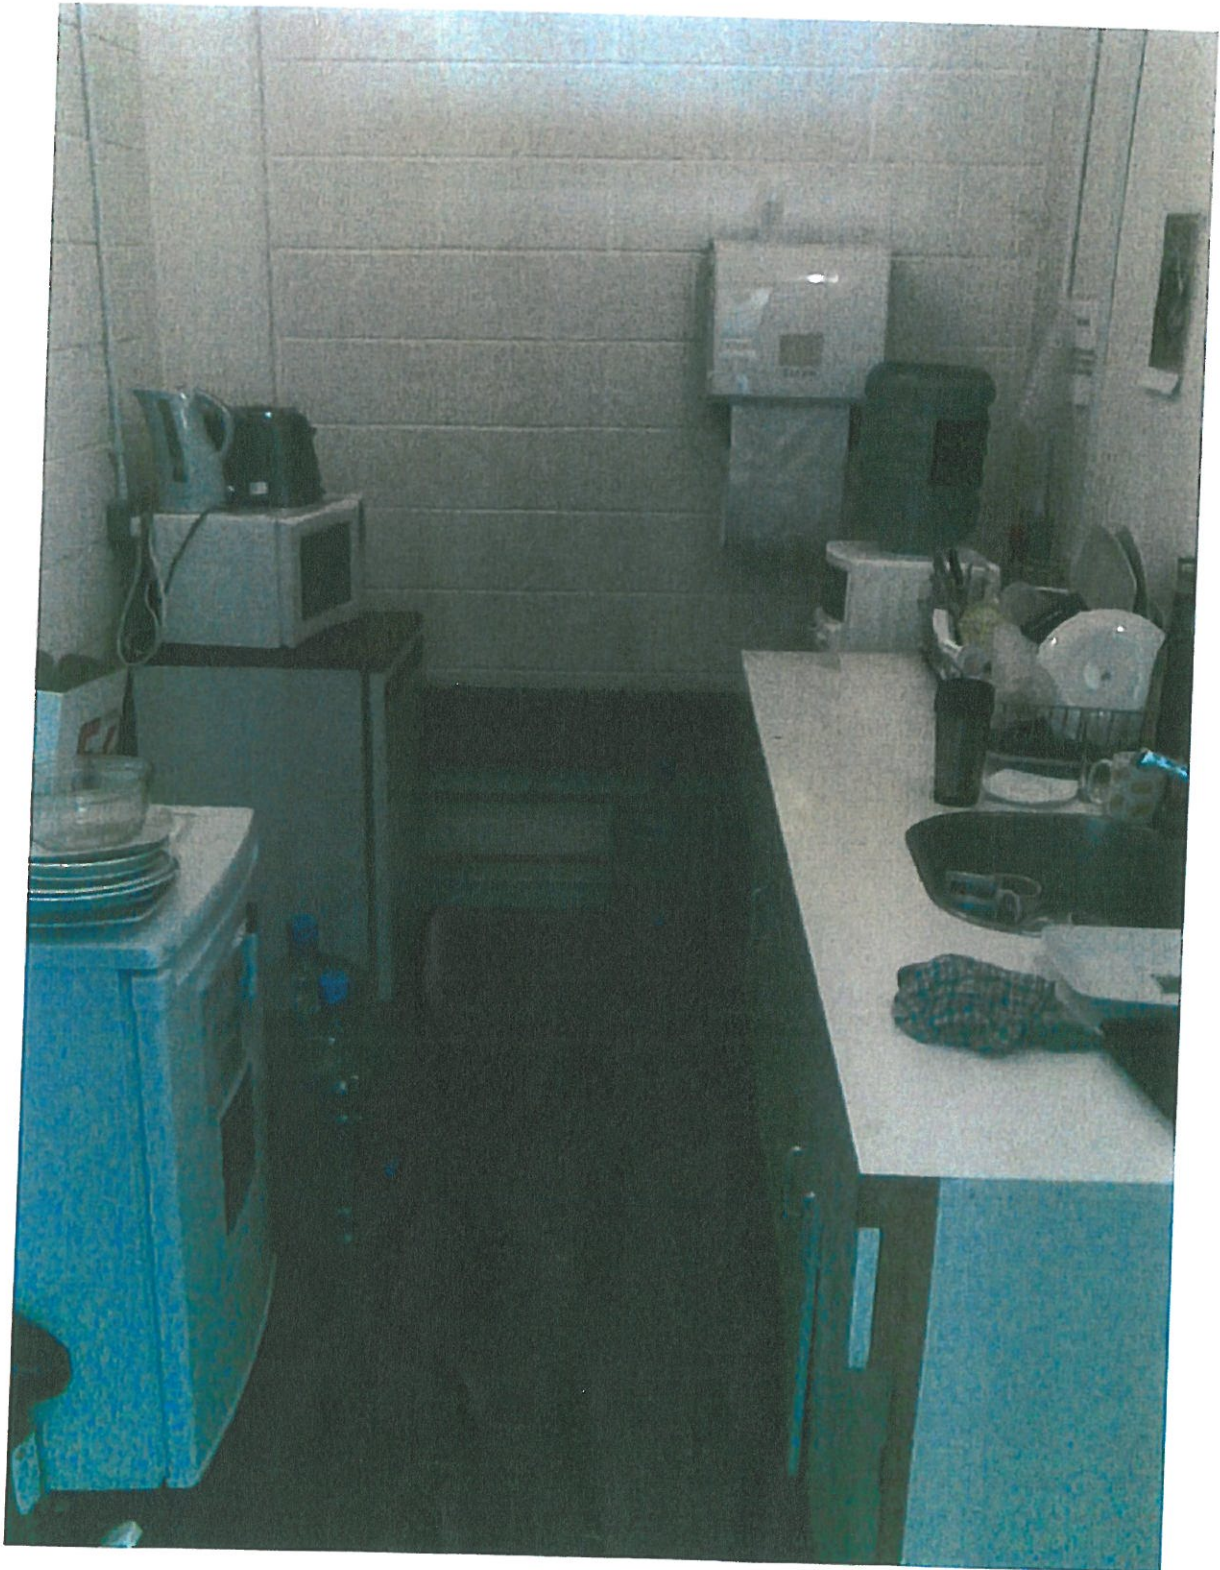

Progress/work schedule

Strip out existing kitchen. Fit new units, worktops and sink unit. New flooring fitted and lighting improved. Room decorated.
Kitchen design by Robert Shankland.

Did you know?

The project duration was three weeks. Due to the inconvenience of the kitchen being out of action the project was managed in such a way that the kitchen was usable after two weeks. Keeping the design work within FMD enabled costs to be kept as low as possible for the client.
