Klarna is an online banking payment service that enables you to make quick and secure bank transfers. It is used by students/sponsors/parents who have bank account in the UK and Europe.

In 2014 Sofort was acquired by Klarna, and the Klarna group was established. Following a major re-branding initiative in August 2017, the Sofort payment method became visually integrated under the Klarna product range.
This guide shows you the WU® GlobalPay for Students payment experience for University of Reading Students from the UK and Europe. They will use Klarna as the payment option.

1. Select the country you are paying from and the type of fees (Tuition, Accommodation, Pre-sessional Fees)

2. Once you have a quote, choose a way to pay.
3. Enter the student’s details in all the fields marked with an *

If Someone else is making the payment, enter the Payers details in all the fields marked with an *
5 Enter Payee's Bank Name and other details as requested.

6 On the Klarna portal, choose your country and bank and click Next.

7 In the next screen, you will get a prompt that the next step will take you to your bank payment portal to proceed and complete the payment process.
Now follow the instructions on the screen from your bank provider.

Once you have confirmed with your bank you are happy to make payment. You will receive a payment details message as shown below with Name, University Name, Amount paid, Reference ID, Date and Transaction Status. This step completes your payment process.
