Dear USS Member

Please find attached the February and March 2017 member newsletters from USS Ltd for your attention.

I had noticed some problems with the links in the February newsletter, but as these have now been resolved, I am able to forward this on to you now with apologies for the delay.

There's a reminder in the February newsletter regarding the facility to sign up for "the match". This is where you can sign up to pay additional contributions of 1% of salary and the University matches that amount by paying 1% of pay into your USS Investment Builder account too. You can elect to pay a higher rate of additional contributions, although the match from the employer only applies to the first 1%.

Should you wish to start paying additional contributions (or amend or stop any already in payment), please remember that the online submission must be made by the last day of the month preceding the month in which the deduction will be made. So any requests made via [My USS](#) up to and including 30 April 2017 will take effect from 1 May as part of the May payroll run, and so on.

The March newsletter includes a link to the Members' Annual Report which provides an update on the scheme's accounts, scheme news and much more.

Kind regards

Stephanie May
