Business partnership.	Dedicated School/Professional Services Business partners provide advice and guidance to schools on all MCE opportunities and activities with overall relationship management responsibility between Schools/Departments and the MCE function. Business partners and marketing officers provide a day to day contact point for schools into MCE for advice, delivery and trouble shooting.		Business partners will advise on additional service requirements and broker guidance from relevant MCE functional specialists	
Marketing strategy.	Business Partners will produce School/Professional Service recruitment marketing strategies every five years. Schools/Services with multi depts may have strategies developed by individual departments as deemed necessary by MCE or requested by UEB.			We cannot commit to supply all of these in the first year and a priority list will be produced. Currently most strategies have been completed on a departmental level, as it is inappropriate to complete at a school level for multi dept schools

Performance Analysis	Business partners will commission a Performance analysis for each School every year.
