

Summary of the University Committee for Research and Innovation meeting (UCRI) held on 20 June 2023

Please see below a brief summary of the main topics of discussion at the recent meeting of UCRI:

Main topics of interest:

At this meeting we:

- In the context of the initial decisions for REF 2028, discussed a draft proposal for the UOA Lead role description in terms of framing, timing and phasing of the role. We agreed a series of next steps.
- Reviewed the RETF Open Call report forms for recently completed projects.
- Considered the implications of the draft REF 2028 joint consultation and convened a small working group to work on a response.

In other news we:

- Highlighted the UKRI Moonshot Call 23 launch for really big ideas.
