Applied Linguistics Circle

Wednesday 30\textsuperscript{th} November 2011, 4:15, Palmer Building 103

Dr Amos Paran
Institute of Education
University of London

CLIL: Panacea or Illusion

In this talk I will look at some of the issues surrounding CLIL, a teaching approach and methodology that is being actively promoted in various EU countries, as well as in various educational systems in Asia and in South America. I will discuss the terminological and conceptual problems that beset CLIL and its relationship with bilingual and immersion education, as well as discuss research focusing on the problems inherent in implementing CLIL programmes in a variety of educational settings.
