University consultancy: permissions and payment form

This form is for the use of members of staff who plan to undertake University consultancy for an external client.

Please discuss with your Head of School or equivalent before completing this form.

All staff members should complete a permissions and payment form before undertaking University consultancy. This is a straightforward way of supplying the information essential for putting contract arrangements in place and to start off the financial process which will eventually result in raising an invoice to the customer and making a payment to you.

No University consultancy should be undertaken without completing this form nor without a contract being in place. Please contact R&E for help if you are in any doubt.

For help completing the form, refer to the notes on page 2. Fill in sections 1–6 and send to: Research and Enterprise, Whiteknights House.
