WHAT’S YOUR QUESTION?

_____________________________________________________________________________________________________________________________________________________________________________________________________________________

Hand this card into reception at the School of Psychology and Clinical Language Sciences or email your questions to pclsevents@reading.ac.uk

A FANTASTIC OPPORTUNITY

Professor Steven Pinker is one of the most celebrated thinkers of our time.

He has taught at Harvard, Stanford and MIT and is one of the world’s foremost writers on language, mind and human nature. Indeed Time magazine listed him among ‘the 100 most influential people in the world today’. So what would you ask him? Send us your question now and book your place to hear Steven in conversation with Sir David Bell.
