

**HELLO
NEIGHBOUR**

A MESSAGE FROM YOUR NEIGHBOUR

Welcome to the local neighbourhood – we hope you have a great year ahead.

Please come and say hello

Please pop round and introduce yourself to us. We'd like to meet you and might be able to help out during your time living next door.

Please let us know if you are planning a party

You may hear noise from us from time to time. Let us know if it becomes a problem. Please also consider us when you are playing music or having friends over - the walls can be very thin.

Parking

Parking is a hot topic! If you have a car, please park it considerately and don't leave it for long periods of time. Some streets are permit only - if you do not have a permit your car may be clamped or you may receive a penalty fine.

Bins and recycling

The Council is very strict about bins. Your bins won't be emptied unless the lids are fully closed, and loose bin bags will not be collected. If you put rubbish into the recycling bin, it will not be emptied. For full advice download the re3cyclopedia mobile app.

Bank your bottles

You can recycle your empty bottles easily, using the local bottle bank - just ask if you don't know where it is. You cannot put glass into your recycling bin or leave bottles outside your house.
